To Advertisers.—The VERMONT DAILY TRANSCRIPT has the largest circulation in St. Albans, and in Franklin County, of any daily paper, and on that account, if no other, the best medium for advertising.

Local Items.

Interesting matter, original or selected, may always be found on the first page.

OUR DAILY.—Those wishing to secure copies of our daily paper can do so at Terrill's and Baker's bookstores, as well as of carriers, and at the office. Copies of our weekly paper may also be had at these places.

STATE OF VERMONT.

BY JOHN B. PAGE,
GOVERNOR.

A Proclamation.

It becomes us as a people to acknowledge our dependence upon Divine Providence, and to return thanks for the many blessings which have crowned the year. The custom is hallowed by the usage of many generations. I do therefore appoint THURSDAY, THE TWENTY-SIXTH DAY OF NOVEMBER, instant, to be observed by the people of this State as a day of THANKSGIVING AND PRAISE TO ALMIGHTY GOD.

Let us on that day enter into His love with thanksgiving, and into His courts with praise, for surely goodness and mercy hath followed us, bestowing upon us an abundant measure of health, raising us plentiful harvest as the reward of the labors of the husbandman, and continuing unto us the inestimable blessings of civil and religious liberty.

Most of all, should we ever render such Thanksgiving, for the gift of race and the hope of Heaven, revealed unto us through our Lord Jesus Christ. Let us not forget "the fatherless and the widow," that they may "eat and be satisfied," that the Lord thy God may bless thee in all the work of thine hands which thou doest."

Given under my hand and the seal of the State, in the Executive Chamber, at Montpelier, this third day of November, in the year of our Lord one thousand eight hundred and sixty-eight, and of the Independence of the United States the ninety-third.

JOHN B. PAGE.

By the Governor:
S. E. BURNHAM,
Sec. of Civil and Military Affairs.

HAY for sale—See advertisement in another column.

CUSTOMS.—The amount of gold received for duties at the custom house, St. Albans, during the month of October was \$15,700.

NOT MURDERED.—The report that Mr. Knight Bannister, who arrived in St. Albans from Bakersfield, on the stage, on the 29th ult., has been murdered, is premature.

It is thought that Mr. Bannister has gone to Green Bay, Wisconsin. A gentleman answering his description purchased a ticket of Mr. Appleton, ticket agent at the Depot, during that Thursday afternoon for Green Bay. Mr. Monroe Dean, of Swanton, identifies the man as having rode with him as far as Swanton that evening, on the Montreal train, but there learned his

mistake, and at Swanton he left the train and walked with him to the village. The gentleman would take the next train for Rouse's Point and West. His gentleman informed Mr. Dean that he lived in Bakersfield and had left home on that day, and was going West. Mr. Bannister has friends living in the vicinity of Green Bay. The supposition is that Mr. B. was laboring under a temporary fit of insanity.

Across the Lake.

Clinton County elects the whole Republican ticket by majorities ranging from 200 to 500. The majority for Grant and Griswold is about 500. The Democrats carry Plattsburgh by a majority of 15 for Seymour and 7 for Hoffman. The Republicans carry Essex County by about 1,400 majority.

Not the least among the interesting features of the Republican Meetings in Clinton County for a week before election, was the presence of Capt. Lot Chamberlain, who enlivened the meeting with his patriotic songs, sung in his own peculiar and inimitable style. He came home in good season to deposit his vote for Grant and all the rest of the Republican ticket, and his presence at our meeting here, at Peru, and other points, has been well appreciated. So says the Plattsburgh Sentinel.

The Ministerial Association of Plattsburgh District will hold its next meeting in the M. E. Church at Westport, commencing November 10th., and continuing three days.

On Thursday, Oct. 29th, Mr. William Hineley of Willsborough, in the employ of Mr. Asa Frisbie, was so badly hurt on a schooner belonging to Joy Bigelow that he died in two days. His age was 31.

The following persons have been elected and appointed officers of the I. O. G. T., Plattsburgh for the ensuing year:
 W. C. T.—G. N. Webb.
 W. V. T.—Miss Lottie Hall.
 W. S.—Geo. Tuttle.
 W. F. S.—Ed. Roe.
 W. T.—Miss Bella Totman.
 W. M.—R. R. Grant.
 W. I. G.—Miss Hattie Cramer.
 W. O. G.—C. B. Totman.
 W. C.—Dr. A. C. Butler.
 W. R. A. S.—Mrs. J. H. Totman.
 W. L. H. S.—Mrs. W. Chappel.
 W. D. M.—Mrs. E. B. Hedding.

LA MOILLE COUNTY.—The Mohawk Base Ball Club of Cambridge and the New Hampton Club of Fairfax played a match game of ball on the 30th ult., which resulted in a victory for the Mohawks. Score: Mohawks, 41; New Hamptons, 21.

The *Newsdealer* of the 4th inst. says: A week ago last Thursday eve, upon retiring to bed, the Hon. Henry Stowell, of Cambridge, discovered the presence of chloroform in his room. He opened the windows and aired the room. The room was again filled and he got up and opened his windows and sat up all night. The same night Mr. Cutting heard a noise at his door, and got up and found two men trying to open the door. They ran away. The Messrs. Warners were also alarmed by seeing some persons lurking around their premises. As these men are all money men, the inference is that some robbers are about. Times are getting bad.

While Messrs. C. G. Moulton and E. Gifford were at work digging a well in Wolcott, one day last week, a staving was knocked down, upon which were several heavy stones, &c., and the whole mass of stones, sledges, drills, and plan were precipitated upon them from a distance of 15 to 20 feet. Mr. Gifford was struck on the head and knocked senseless, and had his head frightfully cut. Mr. Moulton was hit on the hip. Both were severely injured, but not dangerously so. The wonder is that they were not both killed instantly.

The debt of Rutland County, as stated by the *Herald*, amounts to \$210,825-07.

ORDINATION AND INSTALLATION.—Mr. Cyrus Hamlin, of New York, was ordained to the ministry and installed over the Congregational Church at Belows Falls on the 29th ult. In the ordaining services, which were introduced by Rev. E. H. Byington, of Windsor, Rev. J. A. Leach, of Keene, N. H., preached the sermon, Rev. A. Stevens Lyman Abbott, of New York City gave the charge to the pastor, Rev. F. J. Fairbanks expressed the fellowship of the churches, and Rev. L. H. Cobb addressed the people.

BOARD OF EDUCATION.—In executive session, Friday afternoon, the Senate confirmed the following nominations of the Governor as members of the Board of Education for the year ensuing:
 First District.—Merritt Clark, Poultney; George N. Webber, Middlebury.
 Second District.—Jonathan Ross, St. Johnsbury; L. F. Ward, Westminster.
 Third District.—Matthew H. Buckham, Burlington; J. Isham Bliss, St. Albans.

Concerning these appointments the *Burlington Times* well observes: Gov. Page has done himself infinite credit by the appointments of members of the Board of Education. Those from our own congressional district, Prof. Buckham and Rev. J. Isham Bliss, are especially fitted for the responsible du-

ties devolving upon the Board. Prof. Webber of Middlebury College, is one of the finest scholars in the State and will be a valuable member, while the re-appointment of Hon. Merritt Clark, Senator from Rutland County, gives universal satisfaction. We have had reason heretofore to severely criticize gubernatorial nominations for members of this important board, but in the present instance we can cheerfully say that they were "eminently fit to be made."

WHAT MAKES YOUR HAIR SO BEAUTIFUL? MRS. S. A. ALLEN'S IMPROVED (new style) HAIR RESTORER OR DRESSING, (in one bottle.) Price One Dollar. Every Druggist sells it.

ORGAN MUSIC.—One of the great obstacles in the encouragement of young would-be organists, is the incessant difficulty of the large church organs to any but the organist of the society, who is certainly privileged in having such an instrument at his command. He, even, is deterred from practicing in the winter season, owing to the absence of warmth in the edifice on secular days. A celebrated European organist, while recently examining and performing upon one of Messrs. S. D. & H. W. Smith's larger sized American Organs, remarked that he was fully convinced that for the practice of an music and development of contrasts in registration and blending of stops, these peculiar instruments were the best he had ever met with, "which would serve to develop the ingenuity of the player, especially the students, who would, with remarkable ease, transfer with practical advantage his experience thus obtained to the largest pipe organ, and at the same time have the convenience of practicing at home."

The contrast in the voicing of the stops in Messrs. Smith's Organs is so marked, the shades of expression so delicate, and the gradations of power so entirely under the control, that an indefinite variety in the combination may be obtained. The manipulation and response are so free, that not only may the lighter styles of organ music be satisfactorily performed, but transcriptions from the popular orchestral overtures may be executed with the finest effects, while the small amount of space which they occupy in the drawing-room or parlor, commend them to all who are interested in organ music. cow-241.

FULTON MARKET.—Just received, a nice lot Dried Beef, Sugar Cured Hams, Bologna Sausage, Sweet Potatoes, Tomatoes, Peas, Peaches, Water Melons and Musk Melons. dtf-91.

Wistar's Balsam of Wild Cherry, is "a combination and a form indeed," for healing and curing diseases of the throat, lungs, and chest. It cures a cough by loosening and cleansing the lungs, and allaying irritation; thus removing the cause, instead of drying up the cough and leaving the disease behind.

Why stand you thus amazed? To see a person of your natural beauty with a head of dry, bristling, unkempt hair (as purchased of a "Barber" & "Vegetable Hair Restorer.") It will transform your hair into beautiful glossy ringlets. Nothing so efficacious has ever been offered to the public.—*Lowell Courier.*

It is strange to see with what earliness some strange invalids attend to their health. They will procure a box of Plantation Bitters, which ought to be used up in a month or six weeks, and upon inquiry it is found that they have used only two or three bottles. Some days they have used it according to the directions, and others have not touched it. The whole trial has been irregular, and of course a less favorable result has come from their use. If it be true that "what is worth doing at all is worth doing well," how emphatically is it true in matters relating to the health. A few bottles of Plantation Bitters have often wrought wonders, while in other instances disease has only been subdued after weeks of resistance. d&w.

MAGNOLIA WATER.—Superior to the best imported German Cologne, and sold at half the price.

THE AMERICAN COOKING STOVE.—Having been so eminently successful at the New York State Fairs for the past six years' having been brought in competition with all the best stoves in the country, and having each and every year taken the first premium, and some years two, and having gained a world-wide reputation, and a record of which any one may be justly proud, we would now announce for the consolation of those who have so signally and repeatedly failed in competing with it, and have been so sorely chagrined at their numerous and repeated defeats, that this stove is not entered at this fair for a premium, as premiums have ceased to be of any account; but it is entered only for exhibition, that its thousands of friends and admirers may have the opportunity of examining its various improvements. LATEST NEWS!

The Election in the West.

Negro Suffrage in Iowa and Wisconsin.

From Havana.

NASHVILLE, 7th.

R. R. Butler, Horace Maynard, W. B. Stokes, W. F. Prosser, and J. R. Hawkins are the representatives elect to Congress from Tennessee.

A despatch from Shelbyville says that Sheafe [Democrat] is elected in the 4th district by several hundred majority. The Republicans await the official returns to determine the result.

Memphis district is still in doubt. NEW ORLEANS, 7th.

Only about 100 of the 18,000 negroes registered in this city voted at the election on Tuesday, and the proportion in at least half the parishes was the same. Gen. Rousseau's corps is inimical to the Congressional and Republican plan of reconstruction.

The election was a farce, and will be contested. MADISON, WIS., 7th.

Fuller returns show that Wisconsin gives from 20,000 to 25,000 Republican majority.

DESMOINES, IOWA, 6th. Up to this hour returns have been received from 47 counties, which give Grant 33,023 majority, a gain of 15,037 in the same counties.

Negro suffrage has been carried by 25,505 maj. The 50 counties yet unreported will swell the State majority to 30,000 and negro suffrage to 30,000.

NEW YORK, 7th. A Havana special says, the excitement here has been materially allayed since the last news from Spain.

According to the revolutionary authorities, the entire jurisdiction of Puerto Principe has risen against the Government. They claim that the rebels hold Santa Cruz, and that they are firmly established at Bayouna, where their Government have set up a press to issue revolutionary publications.

The slaves have been armed and fight desperately. Gold, 134 1/2.
